- After cutting out all the cards, paste together each image card with its corresponding text card for each letter of the alphabet. As you can see...

- Do the same with all the letters of the alphabet. Afterwards, write the missing words that you think are the correct answers to complete the sentences.
- Play with the cards to guess the answers with your friends, or paste the images onto a large blank sheet (size 50x70 cm.), like a poster, and hang it in your room. (See the sample on page 11).
- Paste cards with cellophane on the left side, to remember their meaning by lifting them up as if they were the pages of a book.
- If you prefer, make two different posters: one with illustration cards, and another with text cards. (Paste text cards as you can see on page 12).
- Cut the electoral alphabet logo to paste it on top of a poster.
